Church Planting Churches equips church leaders to harness the power of the the Mother-Daughter Relationship in church planting.

Even a small church can make a huge impact for the kingdom. Bring new life to your congregation through practical, proven principles of Daughter Church Planting.

In the class, we will discuss:

- Answer fears and objections to church planting
- Overcome common barriers in the new work
- The history of revival and how God desires to move now
- How to lead a corporate prayer meeting
- How to recognize the move of The Holy Spirit and respond

Michael Perkins
DCPI Master Trainer

DCPI's VISION is to *Equip Leaders to Plant Five Million Dynamic Churches to Reach the World for Christ.* We want to be part of fulfilling the vision in Kentucky.

DCPI is **BIBLICALLY PRINCIPLED**. They believe the best foundation for churches and church-planters is the Word of God. Therefore, every component of the training is taught from a biblical foundation.

DCPI uses a **MULTIPLICATION STRATEGY**. This strategy is what turns an organization into a movement. It's a simple yet intentional appointment of Certified Trainers, Master Trainers, and Senior Master Trainers to extend the impact of Church Planting to the far corners of the Kingdom.
