

KY NYI Leaders & Pastors

Just a handful of weeks until BreakAway! My hope & prayer is our teens can have a “mini camp” atmosphere and experience! A weekend to focus on their walk with Jesus and become closer to Him as we worship, pray, laugh together, and be challenged by the Word! In the current climate we are in, I am so thankful we get the opportunity to gather as a family and press into Jesus!

BreakAway will be returning to Camp Crestwood (7206 Clore Ln, Crestwood, KY 40014) on October 16 - 18. Registration will begin at 6PM ET on the 16th @ Camp Crestwood. We are trying our best to plan and be responsible because of the current COVID pandemic. We will not require masks to be worn, but if anyone would like to wear them, they are more than welcome. Friday night we will be staying onsite for Worship and a message from our speaker. After that we will have a Launch Party that will include, bonfire, s'mores, pizza, & activities. Our speaker this year will be Kenny Greenway. Dr Powell recommended him, and I have heard nothing but great things from other leaders on the district. Thrilled to have Kenny join us and bring the word to the teens. I'm definitely looking forward to the times of prayer and breakout sessions! Throughout the weekend, River City Hope band will be leading us in worship. They did an amazing job at Camp and we are excited to have them!

The rooms are “camp style” and You will need to bring LINENS (twin size bunks). Bring clothing for the weekend (note the dress code on the registration form), Bible, notebook, and toiletries. Bring athletic clothes for Saturday. Reference the policy on the registration form for things not to bring. Pizza will be provided after Worship on Friday. (your students can bring snacks for the weekend) BreakAway will wrap up after Morning Worship on Sunday the 18th.
